The BRITISH JOURNAL of INEBRIETY

Edited by T. N. KELYNACK, M.D., J.P.

The British Journal of Inebriety is the official organ of THE SOCIETY FOR THE STUDY OF INEBRIETY, which is a scientific body having for its objects the systematic study of Inebriety and the investigation of all forms of Alcoholism and Drug Addiction. The Society does not seek to exercise any control over the opinions or practice of its Members and Associates in regard to the use of Alcoholic preparations, intoxicating drinks, or drugs. Meetings for discussion are held quarterly in the Rooms of the Medical Society of London, 11 Chandos Street, Cavendish Square, London, W.1, on the afternoon of each Second Tuesday in January, April, July, and October. Qualified Medical Practitioners are admitted to the Society as Members, and Medical Students and other men and women interested in the scientific work of the Society are eligible for election as Associates.

The British Journal of Inebriety is sent quarterly, post free, to every Member and Associate. The minimum inclusive annual subscription is half-a-guinea (10s. 6d.). The Journal contains Papers read at the quarterly meetings of the Society, and other communications relating to Alcohol, Alcoholism and Drug Addiction. Special attention is given to Reviews and Notices of Books dealing with all phases of the Alcohol Problem, Drug Habits and allied medico-sociological questions. The Council invite applications for election from all interested in the aims and work of the Society. Applications should be sent to the Hon. Secretary, 19 Park Crescent, Portland Place, London, W.1.

THE EUGENICS RESEARCH ASSOCIATION
THE GALTON SOCIETY
THE EUGENIC SOCIETY OF THE UNITED
STATES

are kindly offering their monthly JOURNAL

“EUGENICAL
NEWS”

to our Members and Fellows at a reduced rate. The price will be, for the present, 3s. 3d. per year, including postage (this is about 70 cents). Those desiring to avail themselves of this offer, should communicate direct with

THE EDITOR, EUGENICAL NEWS,
The Eugenics Record Office,
Cold Spring Harbor,
Long Island,
New York, U.S.A.

This Journal not only contains news of Eugenic work in America, but in many parts of the world. There are short articles on Eugenic topics; important pedigrees are frequently printed, and in addition, the quarterly numbers now contain a most complete bibliography of Heredity and Eugenic publications.

THE RIGHT APPEAL

THE right appeal is most forceful when it is appropriately printed.

All printed matter has an object to achieve, and it is with this fact in mind that we at THE GARDEN CITY PRESS plan your work. Sound typographical knowledge, a correct sense of balance and proportion, artistic ability—all these qualities are combined in the production of printing, whose merit is bringing to our presses an ever-increasing volume of work.
